I have had a Medico-legal practice since 1986. I have updated my medical legal training by completing and obtaining the Bond Solon Certification Cardiff University 2021.

I have a general interest in all aspects of Oto-Rhino-Laryngology Head and Neck surgery (ENT).

I am recognised as having an area of specialism in;

OTOLOGY Paediatric and Adult Otology <ul style="list-style-type: none">• Congenital and Acquired hearing loss• Trauma & non-accidental injury• Industrial deafness (NIHL)• Tinnitus• Balance	RHINOLOGY Paediatric and Adult <ul style="list-style-type: none">• Trauma• Allergy / Rhinitis• Sense of smell• Sinus and nasal disease
--	---

HEAD AND NECK

Paediatric and Adult.

- Congenital and Acquired disease
- Trauma & non-accidental injury
- Management and diagnosis of pathology
- Non-malignant disease.

General evaluation of management

Instructions are received from both Claimants and Defendants. Reports are issued in accordance to Civil Procedure Rules.

About 100 cases are taken on average each year regarding complex, serious injury and clinical negligence claims Approximate proportions; 60% claimant, 35% defendant. 5% joint instructions are received. Various cases are discussed that do not proceed to formal reports to the Court.

1 virtual and 2 Court appearances in the last 3 years.

Independent cases are prepared for NHS tribunals and NHS resolutions.
